Subject: Expression of Interest to Participate in the No Hungry Child Nutritious Meal Programme

Dear Sir / Madam,

We, _____, a registered Trust / Society / Section 8 Company, hereby express our interest in participating in the No Hungry Child Nutritious Meal Programme and in implementing the programme for children in our area.

We have reviewed the programme information, videos, programme documents and partnership options shared with us. We understand the broad requirements relating to premises, kitchen infrastructure, identification of children, programme implementation, documentation, monitoring and reporting.

We wish to express our interest in proceeding under the following option:

☐ OPTION 1	☐ OPTION 2
NGO-funded / self-investment pathway – the NGO is prepared to make the required initial investment and proceed with the programme as per the agreed implementation plan.	Security-deposit pathway – the NGO proposes to proceed by providing the applicable ₹10,00,000 refundable security deposit, subject to the programme terms and documentation.

Our organisation is willing to complete the required due diligence, submit the necessary registration, governance, financial and programme-related documents, identify the proposed beneficiary children, arrange the required premises and cooperate with the No Hungry Child team throughout the implementation process.

We request No Hungry Child to consider this Expression of Interest and guide us through the next steps of the application, verification, documentation and programme onboarding process.

We confirm that the information submitted by us in connection with this Expression of Interest will be true and complete to the best of our knowledge.
