1. Infrastructure Requirement

The estimated cost of establishing the required infrastructure is approximately **₹15 lakh – ₹20 lakh**. The actual requirement may vary depending on the proposed location, infrastructure and implementation requirements.

2. Two Options Available

Option	Proposed Arrangement
Option 1 Self-Investment	You may independently arrange the investment required for establishing the infrastructure and proceed with implementation of the program.
Option 2 ₹10 lakh Security Deposit	You may provide a ₹10 lakh security deposit, under which No Hungry Child will facilitate the establishment of the required infrastructure as per the agreed program framework. The detailed terms, conditions and responsibilities will be discussed and documented before commencement.

3. Proposed Implementation Timeline

For applicants who complete the application process and submit the applicable ₹10 lakh security deposit on or before **31 August 2026**, the proposed target for program implementation is **1 November 2026**.

Stage	Proposed Action	Timeline
1	Review proposal and detailed video	Immediately
2	Discuss queries, location and requirements	Before application
3	Decide preferred investment model	On or before 31 Aug 2026
4	Submit application and required documents	On or before 31 Aug 2026
5	Complete applicable financial formalities	After acceptance
6	Finalise implementation and infrastructure plan	September–October 2026
7	Infrastructure / implementation preparation	September–October 2026

Proposed Program Implementation: By 1 November 2026

The above is a proposed implementation schedule and will be subject to completion of the required documentation, financial formalities, location-related requirements and other mutually agreed conditions.

4. Support With Finance Arrangements

We understand that arranging the required funds may be an important consideration for some applicants. Support with regard to finance arrangements can also be discussed with our team.

If you require assistance in understanding possible finance arrangements for the proposed investment, please connect with us. Our team can discuss the available possibilities and guide you regarding the next steps.

5. Proposed Plan of Action After Your Decision

1. Application and initial discussion
2. Review of location, requirements and proposed model
3. Documentation and mutually agreed terms
